

UNIVERSITY ADMISSION

The International Baccalaureate (IB) enjoys a high level of respect and recognition among the world's higher education institutions.

Success in the IB Diploma Programme often results in advanced standing, course credit, scholarships, and other admissions related benefits at many universities.

**INTERNATIONAL
BACCALAUREATE
DIPLOMA
PROGRAMME**

Tehran International School aims to foster an environment of respect for universal rights, diverse view points, and cultural uniqueness of all people. It intends to raise 21-century citizens equipped with necessary skills to build a peaceful world.

The school promotes social awareness, thoughtful interactions, and effective communication amongst its students, parents, teachers, and staff. Moreover, the school program attempts to develop students with a passion for learning and education.

Through international education and rigorous assessment, the school seeks to create an atmosphere where academic knowledge and intellectual enquiry is as much valued as hard work, team work and social activities and morale.

“Suitable for students willing to apply to high-ranking universities overseas and enjoy high-quality education.”

ADMISSION REQUIREMENTS

1. Must have completed 10th grade by July 2020.
2. Must pass the English and mathematics admission test.

THE CORE OF THE PROGRAMME

Extended Essay

The extended essay (EE) requires independent research on one of the DP subjects the students are studying.

Theory of Knowledge

Theory of knowledge (TOK) fosters inquiry into the nature of knowing and deepens the students' understanding of knowledge as a human construction.

Creativity, Action, Service

Creativity, activity, service (CAS) helps students to develop their own identities in accordance with the ethical principles embodied in the IB mission statement and the IB learner profile.
