

Elementary School Vice Principal's Welcome Message

Dear Parents and Students,

As the Vice Principal of the Elementary School of TIS, it is an honor and privilege to work with such outstanding students, parents, teachers, staff and members of the community. The students are my top priority, and I believe in the ability and potential of every student to learn. It is my belief that our children of today are our tomorrow leaders. At TIS, we strive daily to ensure academic achievement while providing a safe and supporting learning environment.

I am so proud of the accomplishments of last academic year. You have had your challenges but overcome them with self-determination and patience.

Thanks for the love, laughter and happiness you bring into our lives. There is so much ahead for you.

Keep reaching for your dreams!

Hope all your dreams come true!

M. Shater Hosseini

Elementary School Vice Principal
