TIS PRINCIPAL'S MESSAGE

In the Name of Allah the Beneficent, the Merciful

Esteemed colleagues, respected parents, and dear students

I thank God who granted me the grace of serving the our hardworking and wise future generation in this educational complex. I know that the path ahead is challenging and difficult, but the sweetness of serving the honest and pure young generation will pave the way.

I take an oath to God to consider students' self-esteem and greatness. My colleagues and I won't withhold any effort to promote the students' morality and knowledge. I do rely on the students' diligence, teachers' organized and purposeful planning, and parents' vigilant supervision to help me with this great responsibility..

I pray to God for our success and I trust my colleagues to do their best. Hereby, I present the upcoming academic year planning to enhance the students' improvement and further help them on the path to knowledge and wisdom.

Director of Education's Message

I would like to take this opportunity to warmly welcome you to the academic year 2021-2022. I have learnt a lot through doing my duty on- line during the recent pandemic and tried to enjoy every moment and give hope to my dear colleagues and students. This achievement could not occur without the endless energy, patience, love, devotion, commitment, and perseverance of our great educational team and our dearest students.

I wish you all the best throughout this long journey of life. Keep both your mind and heart open to new learning experiences that lie ahead. With love,

Sareh Yadegari
Director of Education

Tehran International IBDP Coordinator Message

2021-2022 Academic Year

I believe that IB program at any school could only be successful if its members are hardworking, principled, understanding, caring, and open-minded; and I have found all these qualities in our own IB family at Tehran International School.

I want to congratulate the seniors of the “2021” graduating class who completed the requirements of the full diploma and have successfully been awarded the IB Diploma with total cohort average of 38.71/45 and Miss Tara Sadat Seyedi who attained perfect score of 45/45 with one hundred percent passing rate.

May God grant us the courage to take responsibility for our own actions, be able to assess and understand our strengths and limitations in order to achieve our leading goals and personal development.

May God also grant us the courage to speak and act when we are called upon to be God's hands in the world.

Finally, May God grant us the unity that can heal our wounds and divisions, and the preservation of our souls and bodies as we continue to contend with injustice and evil, and for the truth that shall set us free.

I hope we all have a great year. I am always available to support you and reply to your concerns & queries. Online sessions have made us even closer; we are just a click away! Stay focused. Especially you seniors!!

Heartiest Wishes Always & Forever!

Nasrin Barootchi

Dear Students, Parents, and Guardians,

Welcome to another exciting school year! I hope you've had a wonderful summer and you are feeling refreshed and ready to start a new academic year.

As a member of TIS community, I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you in 2021-2022 academic year.

It is a true privilege to be a part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic success and social growth. In the second year of our online system, I heartily wish that this year brings to you more strength and more dedication, and I do hope that you will be able to achieve all your goals with your commitment and sincerity.

I hope we will be able to provide students with an educational experience that inspires and motivates them to be lifelong learners and caring contributors to the world around them.

Please don't hesitate to share your ideas and concerns with us at any time.

Best Wishes,

**Faezeh Fatehi

MIDDLE SCHOOL VICE-PRINCIPAL'S WELCOME MESSAGE

It is our pleasure to welcome everyone back for another great academic year (2021-2022) in Tehran International School (TIS).

We hope you are all well rested and ready for a new Academic year. Last year was the most unusual one for schools all over the world, and all of us experienced a different type of education. Although we wished students could be back to school in person and the classrooms and hallways of school could be filled with their energy and enthusiasm for learning, we prefer to continue E-Learning and reopen the school online because of our priority which is the health, safety, and well-being of all the students, teachers, staff and families.

However, we hope the problems caused by covid-19 situation will be solved as soon as possible and we will be reunited at the school and meet each other.

All of us need to keep in mind that in spite of the new situation ,our standards in TIS have remained unchanged .Students are assessed based on their academic performance, full participation in online classes, their willingness to act responsibly as an individual within the courses, their collaboration, and their commitments to the school's schedule.

Also, all members of our community need to be caring, respectful, and considerate. In fact, it is a great honor to be a part of community where parents, teachers, staff and students care for each other and try to build positive relationships.

Finally, we need to thank you all for your supports throughout the troubling times last year and look forward to having better times ahead.

Best Regards

Maryam Torkaman

ELEMENTARY SCHOOL VICE-PRINCIPAL'S WELCOME MESSAGE

Dear Parents and Students,

As the Vice Principal of the Elementary School of TIS, it is an honor and privilege to work with such outstanding students, parents, teachers, staff and members of the community. The students are my top priority, and I believe in the ability and potential of every student to learn. It is my belief that our children of today are our tomorrow leaders. At TIS, we strive daily to ensure academic achievement while providing a safe and supporting learning environment.

I am so proud of the accomplishments of last academic year. You have had your challenges but overcome them with self-determination and patience.

Thanks for the love, laughter and happiness you bring into our lives. There is so much ahead for you.

Keep reaching for your dreams!

Hope all your dreams come true!

M. Shater Hosseini
Elementary School Vice Principal

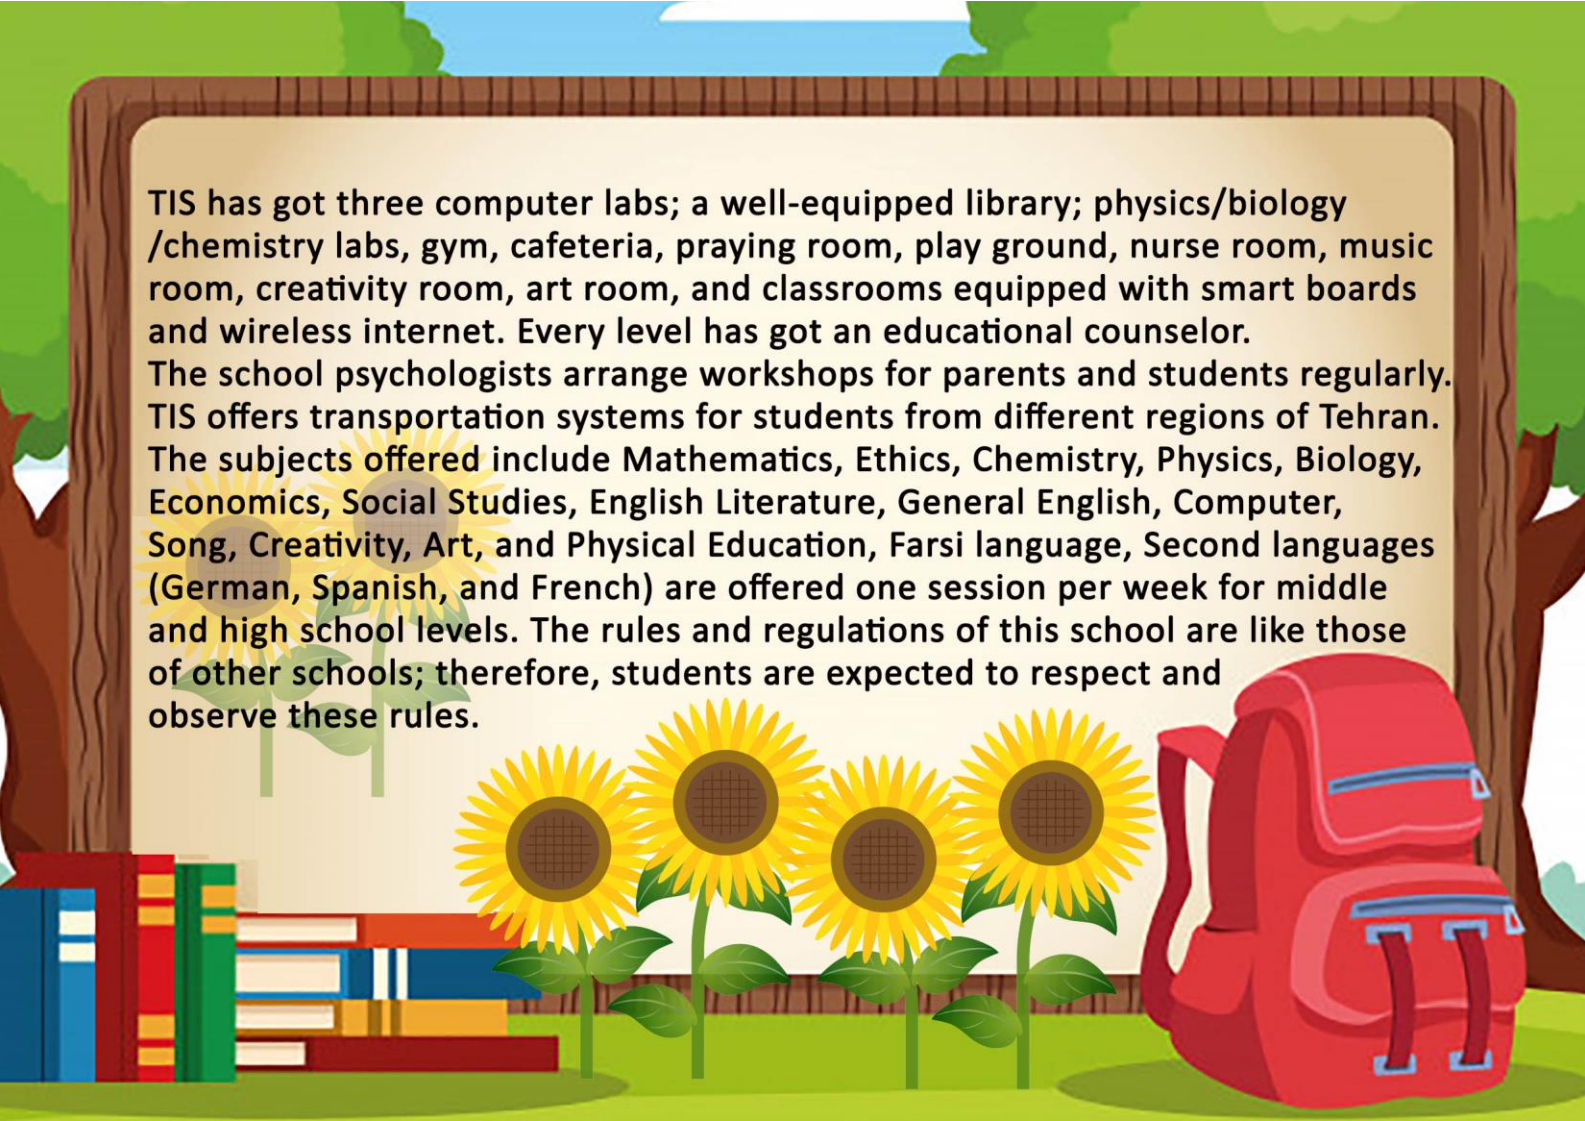

About Tehran International School

Tehran International School consists of Elementary, Junior, and Senior High School sections. Tehran International School is an institute, which is founded with the aim of creating educational opportunities for overseas citizens residing in Iran, including primary, middle and high school levels. IB Diploma Program Consists of a two-year program (grades 11 and 12) including:

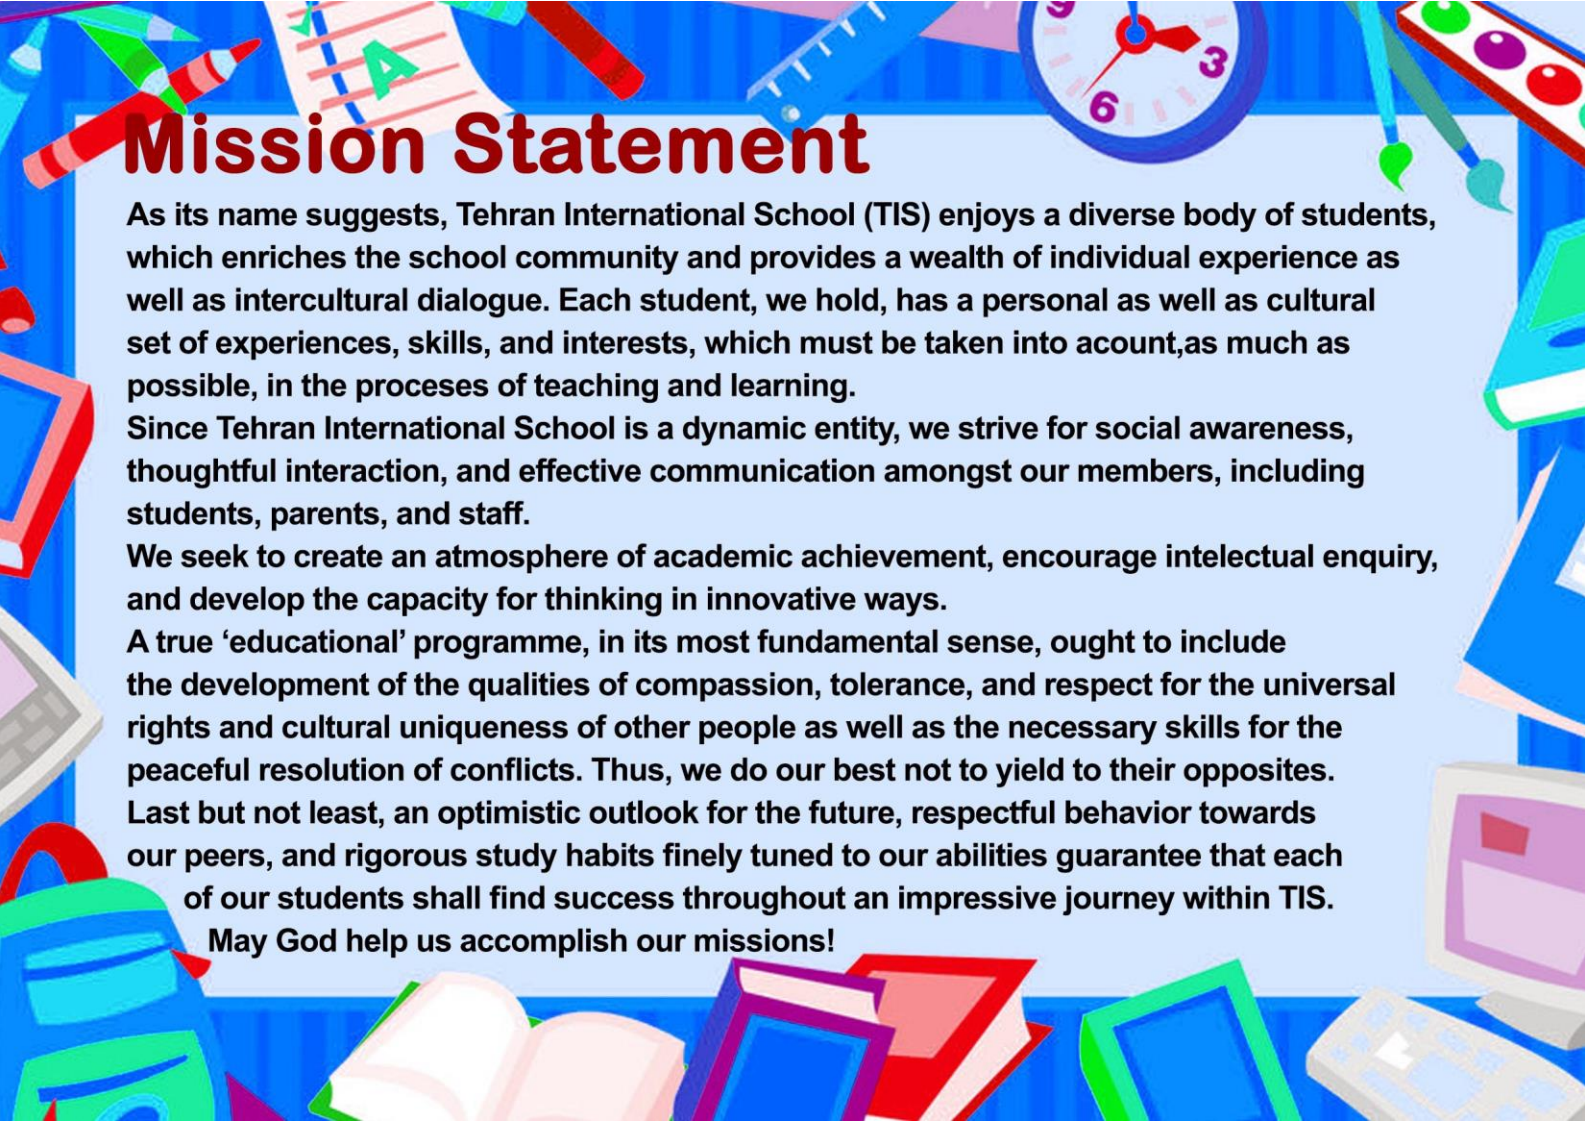

- 1- 240 hours for HL subjects
- 2- 150 hours for SL subjects
- 3- 100 hours for Theory of knowledge
- 4- One CAS session per week
- 5- 40 hours of Extended Essay which is not included in the schedule and is individually planned for each student.

Elementary School:	Grades 1-5
Junior High School:	Grades 6-9
Senior High School:	Grades 10-12
IB Diploma Program:	Grades 11-12

TIS has got three computer labs; a well-equipped library; physics/biology /chemistry labs, gym, cafeteria, praying room, play ground, nurse room, music room, creativity room, art room, and classrooms equipped with smart boards and wireless internet. Every level has got an educational counselor. The school psychologists arrange workshops for parents and students regularly. TIS offers transportation systems for students from different regions of Tehran. The subjects offered include Mathematics, Ethics, Chemistry, Physics, Biology, Economics, Social Studies, English Literature, General English, Computer, Song, Creativity, Art, and Physical Education, Farsi language, Second languages (German, Spanish, and French) are offered one session per week for middle and high school levels. The rules and regulations of this school are like those of other schools; therefore, students are expected to respect and observe these rules.

Mission Statement

As its name suggests, Tehran International School (TIS) enjoys a diverse body of students, which enriches the school community and provides a wealth of individual experience as well as intercultural dialogue. Each student, we hold, has a personal as well as cultural set of experiences, skills, and interests, which must be taken into account, as much as possible, in the processes of teaching and learning.

Since Tehran International School is a dynamic entity, we strive for social awareness, thoughtful interaction, and effective communication amongst our members, including students, parents, and staff.

We seek to create an atmosphere of academic achievement, encourage intellectual enquiry, and develop the capacity for thinking in innovative ways.

A true 'educational' programme, in its most fundamental sense, ought to include the development of the qualities of compassion, tolerance, and respect for the universal rights and cultural uniqueness of other people as well as the necessary skills for the peaceful resolution of conflicts. Thus, we do our best not to yield to their opposites. Last but not least, an optimistic outlook for the future, respectful behavior towards our peers, and rigorous study habits finely tuned to our abilities guarantee that each of our students shall find success throughout an impressive journey within TIS.

May God help us accomplish our missions!

“Online Classes Code of Conduct”

Dear Parents and Students,

This is to inform you that, due to pandemic, the classes in the new academic year will be held virtually until the further notice. We sincerely thank you for your understanding and we hope to have your constant support, as always, in achieving our educational goals, creating a calm atmosphere and maintaining effective communication among us.

Please review the following items carefully to prevent any problems during online classes:

- 1. The working hours of the School is from 7:30 to 14:00 and the online classes will be held from 9:00 to 14:00. The School is closed on Thursdays and Fridays.**
- 2. Classes start online from Saturday, September 25th.**
- 3. Students must be actively present in all hours of the class and all rules and regulations must be observed.**
- 4. The student's attendance is constantly monitored.**
- 5. Students are not permitted to leave the classroom during class hours and must keep their camera and microphone on upon the request.**

6- Preparing the required electronic equipment is necessary for virtual classrooms. Make sure you have a stable internet connection before starting your class. Each student should take action to fix software and hardware deficiencies before the start of the class or notify the school immediately in case of any interruption or difficulty.

7- Virtual classes are run through the software "Adobe Connect".

8- Timely submission of homework on school LMS is expected.

9- You can obtain any necessary information regarding the school through the school channel and web site.

10- Having proper school dress code is mandatory in the virtual classrooms.

11- Try to prepare the environment free of any distraction (extra open windows and screens, TV,...) and make the room pleasant for learning (suitable heat and air conditioning).

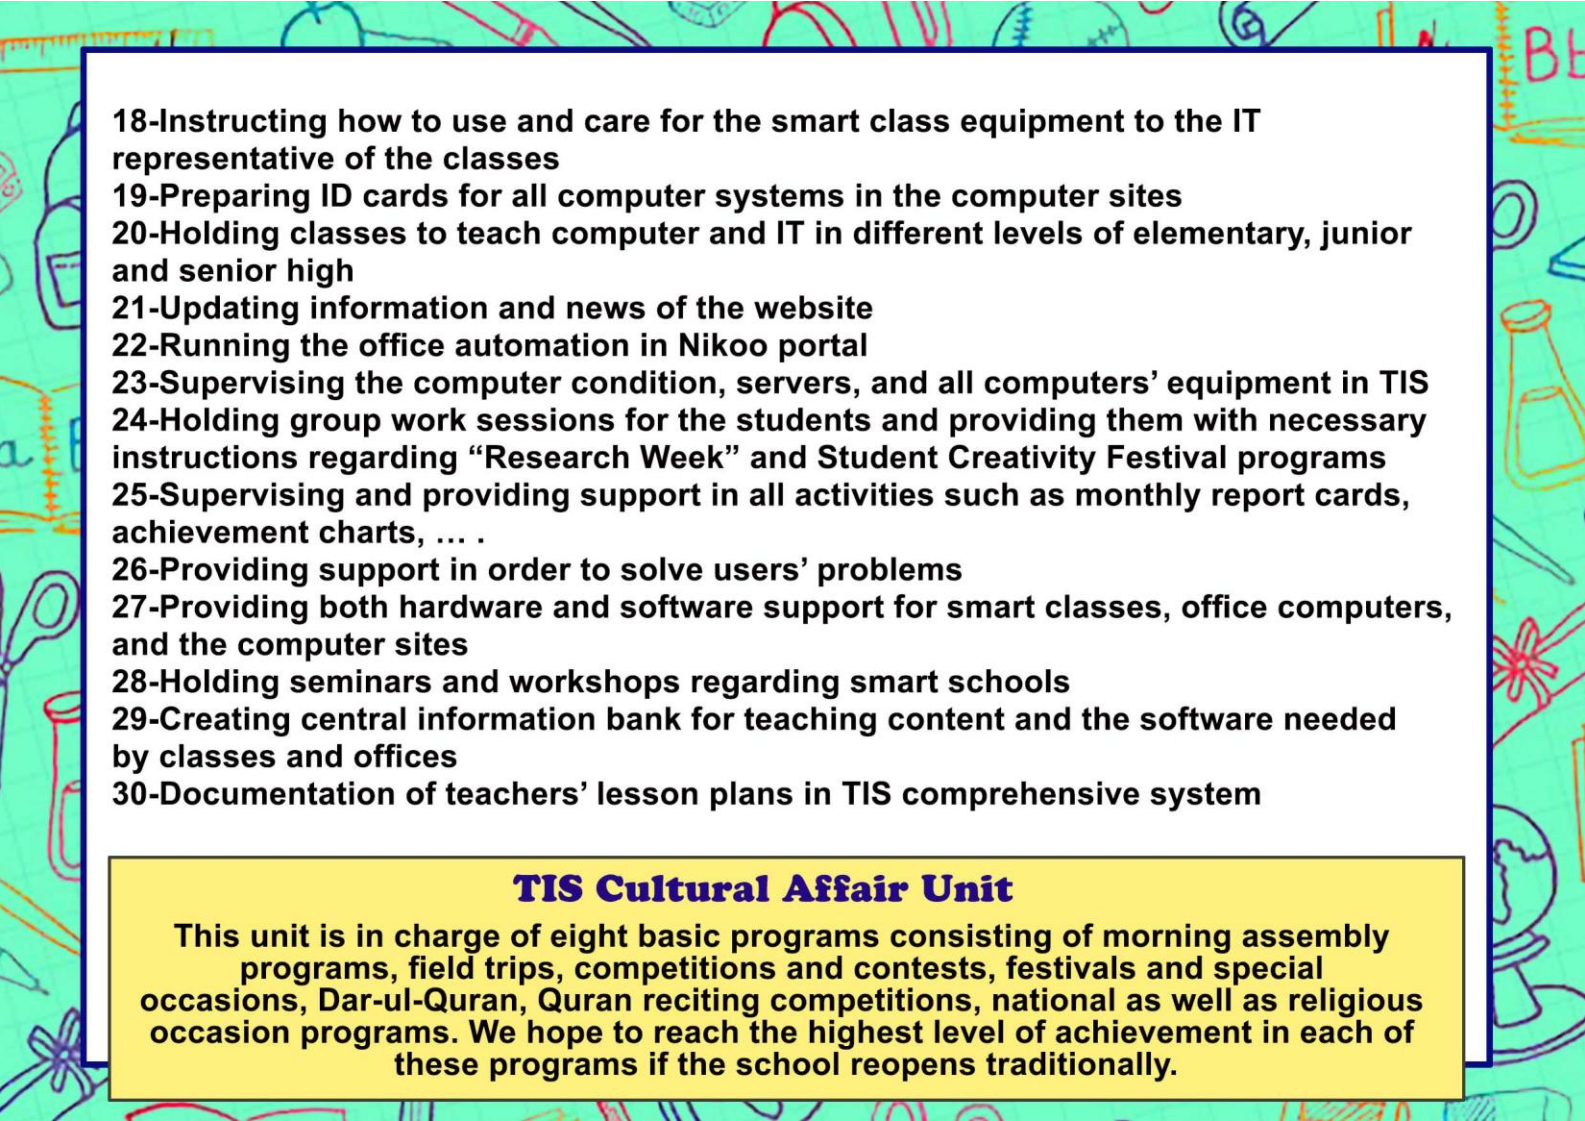

12- It should be mentioned that the final score of the students during the virtual classes is based on active and on time attendance at classes, class activities, and timely homework/ test submissions.

We can't achieve our educational goals to both help students' talents and potentials flourish and maintain their health and well-being without God's support and your kind cooperation.

TIS Cultural Affair Unit

This unit is in charge of eight basic programs consisting of morning assembly programs, field trips, competitions and contests, festivals and special occasions, Dar-ul-Quran, Quran reciting competitions, national as well as religious occasion programs. We hope to reach the highest level of achievement in each of these programs if the school reopens traditionally.

A few words with parents and students

This is to draw your attention to TIS regulations and disciplinary rules regarding students' absence and tardiness. You are kindly expected to consider the following points in supporting us to create a peaceful atmosphere for your children at school and in enhancing their academic achievement. School Academic year starts from 23rd of September to the last week of June.

1-Please make sure your children always arrive at least 15 minutes before the morning bell rings at 7:15 a.m. Never keep your children away from school for any reason other than serious illness. In case of emergency, medical and dental appointments must be made after school time.

2-Parents have to report their children's absence to the respective vice-principal before 9 a.m.

3-Students may not start a holiday early or return to school late after a holiday.

4-Tardiness exceeding 20 minutes will be considered a missed class and points will be deducted from conduct grade if considered unexcused by the respective vice-principals. Also, parents have to accompany their late children to explain the reason for tardiness to the respective vice-principal in her office.

5-TIS home time is at 2:00 p.m Parents whose children do not use school transportation are expected to collect their children not later than 14:15.

If parents cannot pick up their children on time, the school assumes no responsibility for any possible consequences and it certainly affects student's conduct grade.

6-Make sure that your children bring their books, stationery, water bottles, food etc. to school.

School staff are not allowed to accept any of these items forgotten at home.

7-Students who use the school transportation are expected to use it at all times and are not allowed to use any other forms of transportation, except their specified school taxi, under any circumstances.

8-The students are not permitted to leave the school with anyone except their parents or the person who is in charge of picking them up and is introduced by parents to school in registration form.

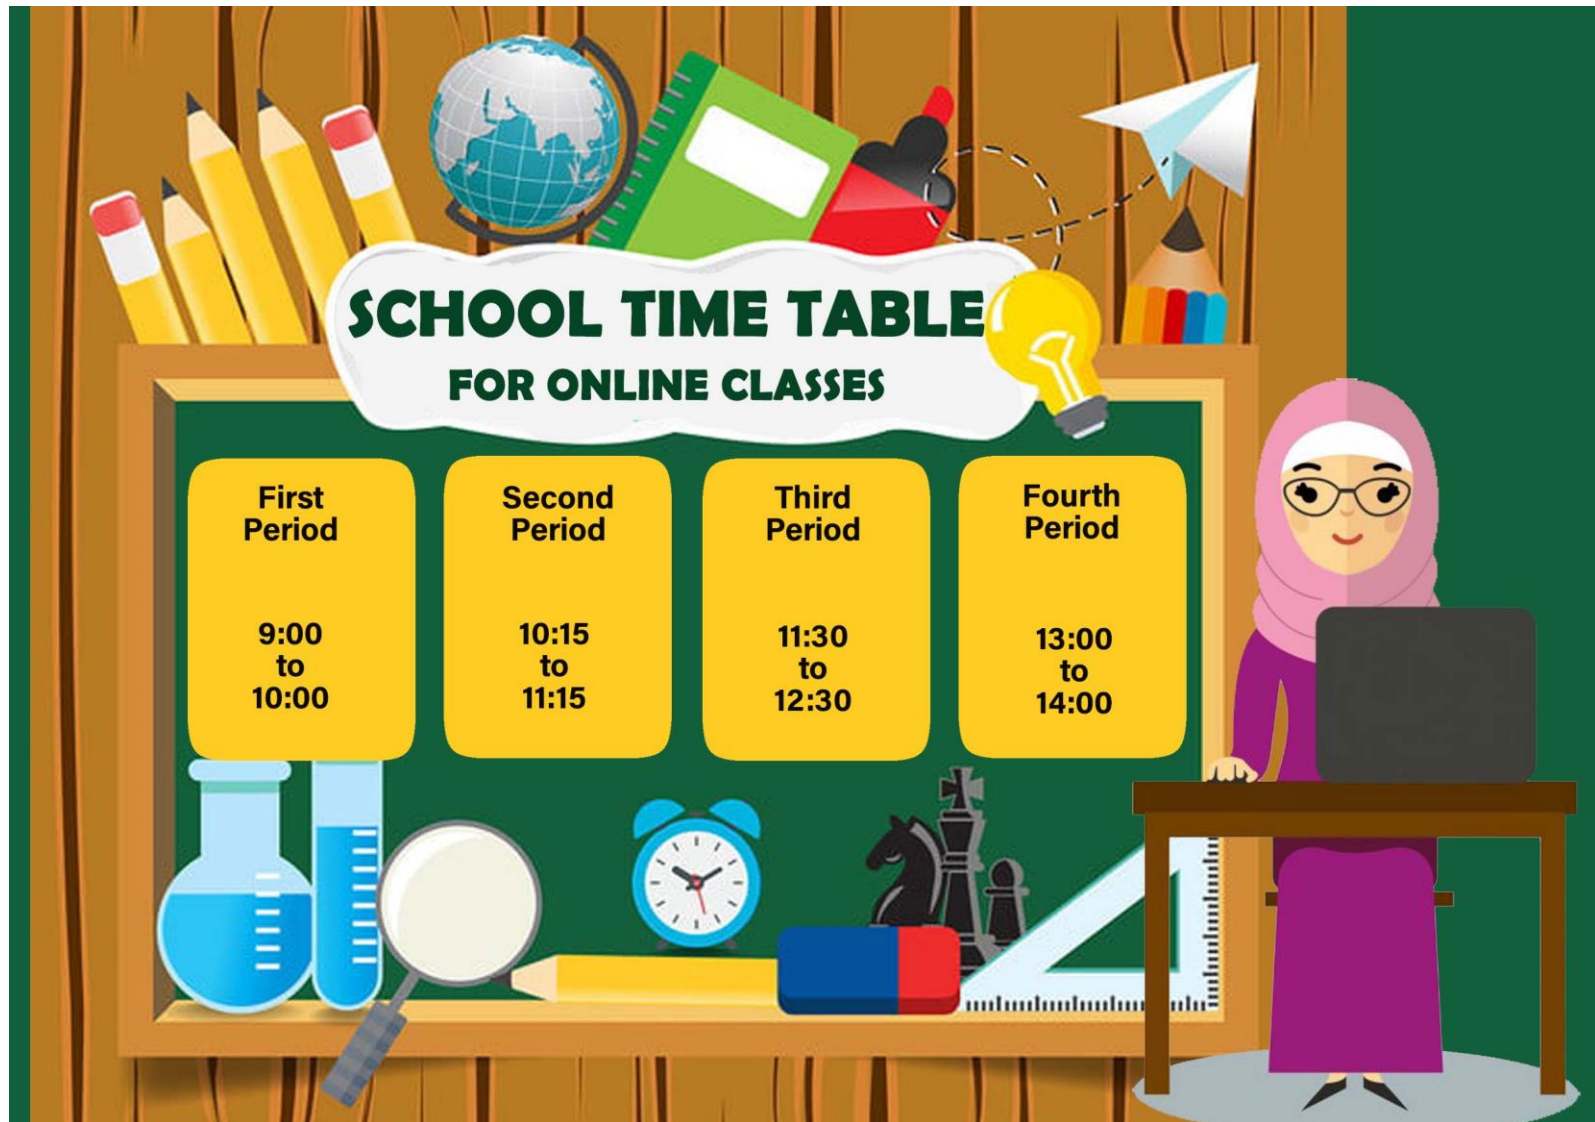

9-In case of any unexpected events, for sending the students home, the school is not responsible to arrange a taxi ride.

NOTE:

**ATTENTION
PLEASE!**

According to the Ministry of Education rules: Students are expected to attend the school in full uniform and observe the Islamic Republic of Iran's modesty dress code.

Cell phones, accessories, visible tattoos & piercing are prohibited in the campus & classes. Any kind of makeup, nail polish, dyed hair, or implanted nail is forbidden & will result in a deduction from the student's conduct mark. Thank you for your cooperation in advance!

What we believe...

It is the school's responsibility to provide a positive climate for learning.

- **Discipline is an essential part of education.**
- **Students have rights and responsibilities.**
- **School rules should be established and understood by parents, teachers and students.**
- **Discipline is important as well as learning.**
- **Parents should be deeply involved in the discipline of their daughters.**
- **Parents, teachers, and administrators should help students work towards self-discipline, self-control and self-responsibility.**

At TIS: we strive to maintain a wholesome and comfortable environment in which students are able to maximize their talents and potentials. In order to do that we have set up some rules, regulations, and expectations that will help them better concentrate their efforts on school work.
